UPDATES & VIRTUAL VISITS

**Value
Village**
Good deeds. Great deals.

Value Village received 2100 pounds of donations and we get \$338. Thank you for participating in this recycling project.

I would like to have a short visit with every branch. If you would like to have me and/or council members make a virtual appearance at your meeting contact the AWI office or me.

I tried to virtually attend Echo Hill meeting in October, but I was travelling and had trouble getting the initial connection to work. They saw me, bad hair day and all, but I couldn't see them. Better luck next time.

CANADA

VIRTUAL SERVICE

On November 10 FWIC will be doing a Remembrance Day service virtually. There were the days when the FWIC Board met in Ottawa and the President laid a wreath at the National War Memorial and we all attended the ceremony.

Round Table Discussions

FWIC is hosting Round Table Discussions and looking for participations. The first of the Leadership Modules is on membership and takes place Nov. 15.

We would like some voices from Alberta. Let the office or Linda Mason or myself know if you can participate.

ONLINE LEARNING OPPORTUNITIES

We are working on putting together some online courses. First will be Zoom Basics on November 16th in the evening. Bernadette Logozar will be leading this session. Registration details will be online by November 1st. If you are interested contact the Provincial Office to reserve your spot.

If you have ideas for session topics or a skill to share let us know.

Virtual Visits with the President!

I am looking forward to having online visits with as many as possible about 3 or 4 times a year.

I had a nice chat with Diane Smith, recipient of the Award of Excellence. We sure do miss the fun we had at conventions.

WANTED

Committee members for Fundraising and Finance, Programs and Projects, Membership and Marketing, Resolutions and Legislation.

If you can share your ideas and talents on one of these committees it would be appreciated. Most meetings can be done by phone or internet.

11 NOVEMBER
REMEMBRANCE DAY

Lest we forget

Looking forward to our next connection.

Diane Dammann

President, Alberta Women's Institutes
