2022 PROVINCIAL CONVENTION!! JUNE 7 & 8

The Convention in person is happening, June 7 & 8, in Camrose, AB at the Norsemen Inn.

Call for Cookies: We need the Constituency Conveners to bring two dozen or so of cookies or the equivalent.

Door Prizes: The District Directors and Executive each bring a door prize.

Call for Silent Auction Items: Each Branch should bring an item for the silent auction that are at least \$10 value or more. Each item will have a reserved bid of \$10 to start.

Reminder: The handicraft entries are to be at the Norseman Inn on Sunday, June 5. The entry forms should be to Handicraft Convener, Marilyn Wattenbarger by May 11. Email. marilyn_wattenbarger@hotmail.com. Remember each branch can enter 2 items in a category provided they are made by different members.

Remember the special doll making competition and the fidget blanket one too. The Handicraft List, Information sheet and entry forms are all available on our website. You can find them under the Awards & Competitions Menu from the homepage. Watch your inbox for reminder emails from the Provincial Office.

Memorials at Convention: If your branch has lost members in the last two years, bring an obituary/memorial to the convention to share in the service. A picture would also be nice.

Other Things to Note for Convention:

There is a Newsworthy Notion at the Conference. Make an outfit out of newspaper or maps and model it at the banquet. It would be best if it was made ahead of time but there will be papers and tape at Camrose.

We will tell tales of Embarrassing Events of WI moments and Witty Writings at the banquet so this is a heads up to remember them. Also the Jewelry Swap is back at Convention!

Education Conveners remember to make a display of your topic. I am sure you have had lots of reports from your branches...NOT. I am sure they will have an interesting display in the hallway.

The Convention registration form and information is on the website and has been emailed out.

There have been several inquiries from potential members in various parts of the province. We may soon have a virtual branch to connect them.

See you in June!

Diane Dammann, President AWI
